

Addendum

In Margaret Jackson and Julian Ligertwood's article: 'Identity Management: Is an Identity Card the Solution for Australia?' which appeared in *Prometheus* Vol. 24, No. 4, December 2006, the following acknowledgement was omitted:

'The authors wish to acknowledge the support of the Smart Internet Technology Co-operative Research Centre in the development of this paper.'

This error was drawn to *Prometheus*' attention by Margaret Jackson and Julian Ligertwood from the School of Accounting and Law, RMIT University.
