

SHORTER NOTICES

The Australian Economy in the Long Run edited by Rodney Maddock and Ian McLean

(Cambridge University Press, Cambridge, 1987), pp. xii + 237, \$29.95 paper, ISBN 0 521 33933 2.

This book represents some work by economic historians attempting to put the Australian economy in the twentieth century in perspective. The book also puts current debates and concerns, e.g. low economic growth and structural change, in historical focus. The book is divided into several parts, viz. the macroeconomy, sectors and product markets, input markets, and government and economic welfare.
