

Wealth From Skills: Measures to Raise the Skills of the Workforce by *The Australian Science and Technology Council*
(AGPS, Canberra, 1987), pp. vi + 47, ISBN 0 644 07250 4.

Wealth From Skills: Measures to Raise the Skills of the Workforce — Appendix by *The Australian Science and Technology Council*
(AGPS, Canberra, 1987), pp. vi + 73, ISBN 0 644 07245 8.

This report complements a previous ASTEC publication entitled *Education and National Needs*. The first report concentrated attention on the performance of schools and higher education institutions to improving Australia's industrial performance. This second report addresses 'the issues of inadequate levels of skill formation in industry and of the need to update and improve the institutional arrangements for industry-related training: apprenticeships and traineeships and the TAFE system'.
